MEMORANDUM FOR: Director, National Reconnaissance Office

SUBJECT: Photographic Film Processing System Concept

1. Attached is a proposal for the engineering design, fabrication, and testing of a prototype dry processing system and a transportable shelter in the amount of \$985K. The study embodies the technical proposal, the employment concept, and the development plan for the system.

2. The \$985K needed for this photographic film processing concept will be included in our FY 1969 funding recommendations; however, the proposal is being forwarded at this time to afford an opportunity for your review and approval in concept prior to FY 1969 when the funds will be required.
